¶3. (C) Note: the Ministry of Foreign Affairs raised a scheduling issue mid-day on August 16) that the proposed Wednesday, August 23, morning appointment with the President, First vice President, and/or Vice President likely would not occur earlier than 9:00 a.m., thus arguing for a revised departure time of 11:00 a.m. or 12:00 p.m.

¶4. (C) Comment: The visit to the Al-Salaam IDP camp involves a brief visit to projects on the periphery of the area. The visit will not involve welcoming ceremonies or other functions involving large numbers of people. In the event there are crowds, the motorcade will bypass sites. Visitors will be kept relatively close to the vehicles to permit rapid departure should events so dictate.
